

Interim Report 26/2013 of 30 July 2013

Application to the National Depository for Securities (KDPW)

Legal basis: Art. 56.1.1 of the Public Offering Act – confidential information

The Management Board of Infovide-Matrix S.A. hereby announces that, on 30 July 2013, an application has been filed with the National Depository for Securities (Krajowy Depozyt Papierów Wartościowych S.A., KDPW) in Warsaw for the registration of 641,824 Series-H ordinary bearer shares of PLN 0.10 in nominal value each, in the Depository. The Company had announced the issue in its Interim Report 11/2013 on 15 May 2013. The Management Board requested the registration of the securities covered by the application under the existing code number, used for the previously-registered shares in the Company.

The shares covered by the application have been taken up by subscription in a private placement and an application for their admission to the regulated market is intended.
