

**Re: Contracts made by Infovide-Matrix S.A. and its subsidiaries with the Social Insurance Institution (ZUS) whose aggregate value qualifies them as a significant contract**  
**Legal basis: Article 56.1.2 of the Public Offering Act – interim and periodic disclosure**

Interim Report 10/2014 of 24 June 2014

The Management Board of Infovide-Matrix S.A. hereby announces that, on 02 June 2014, a contract was made between DahliaMatic Sp. z o.o. (hereinafter: Contractor), a subsidiary of Infovide-Matrix S.A., and the Social Insurance Institution (Zakład Ubezpieczeń Społecznych, ZUS; hereinafter: Client), on the provision of support services for the Oracle software held by the Client (SALT, Tuxedo, BEA eLink), grant of additional licences for Oracle Tuxedo (or equivalent) software, grant of additional licences for Oracle SALT (or equivalent) software, grant of additional licences for JEE application server software together with service management & development tools and support services, and support for Oracle software migration.

DahliaMatic Sp. z o.o.'s fee for the deliverables specified in the Contract will not exceed PLN 16,698,750.03 (sixteen million six hundred ninety eight thousand seven hundred fifty zlotys and 03/100) plus VAT.

Under the Contract, the Contractor has agreed to pay the Client a stipulated penalty (liquidated damages) for delay in delivery of the licences, equal to 20% of the total fee including tax. In other cases, the stipulated penalties provided for in the Contract are not materially different from the standard provisions of this type of contracts.

The Client has the right to deduct stipulated penalties from payable fees or the performance bond without the consent of the Contractor.

The parties can pursue damages over and above the amount of the stipulated penalties under the generally prevailing rules of civil law.

The Contract was not made contingent upon any condition precedent or time limit.

Including the Contract described above, during the last 12 months the total value of all contracts made by and between Infovide-Matrix S.A. or its subsidiaries and the Social Insurance Institution has amounted to PLN 27,528,341.44 net of tax. The contract of the highest value has been the Contract described above, made between DahliaMatic Sp. z o.o., a subsidiary of Infovide-Matrix S.A., and the Social Insurance Institution.

The criterion selected for the joint recognition of contracts between Infovide-Matrix S.A. or its subsidiaries and the Social Insurance Institution as significant is the fact that their total value exceeds 10% of Infovide-Matrix S.A.'s equity.
