RESOLUTION No. 39
of the Ordinary General Meeting of Shareholders
of the company Asseco Poland S.A.

on increasing the Company's share capital through the issuance of series K shares, exclusion of pre-emptive rights, and amendment of the Company's Articles of Association

§ 1

1. The Ordinary General Meeting of Shareholders of Asseco Poland S.A. seated in Rzeszów ("**Company**"), acting on the basis of art. 431 § 1 of the Polish Commercial Companies Code ("**PCCC**") as well as according to § 12 section 4 item 8) of the Company's Articles of Association, hereby resolves to increase the Company's share capital by the amount not lower than PLN 5,680,000 (five million six hundred and eighty thousand zlotys) and not higher than PLN 6,095,238 (six million and ninety-five thousand two hundred and thirty-eight zlotys), through the issuance of not less than 5,680,000 (five million six hundred and eighty thousand) and not more than 6,095,238 (six million and ninety-five thousand two hundred and thirty-eight) ordinary bearer shares of series K with a par value of PLN 1 (one zloty) each ("**Series K Shares**").
2. Series K Shares shall be issued through open subscription excluding pre-emptive rights of the Company's existing shareholders, under a public offering as defined in art. 3 sect. 3 of the Act of 29 July 2005 on public offering, conditions governing the introduction of financial instruments to organized trading, and on public companies. Series K Shares shall be offered to shareholders of Asseco Central Europe, a.s. with the seat at 56/A Trenčianska St., 821 09 Bratislava, Slovak Republic, registered by the District Court Bratislava I, section: Sa, entry: 2024/B (the "**Acquired Company**"), in accordance with the principles set forth in the Company's issuance prospectus (the "**Issuance Prospectus**") that was prepared in connection with the public offering of Series K Shares and subsequent applying for admission and introduction of Series K Shares as well as Series-K-Shares allotment certificates to public trading on the regulated market of the Warsaw Stock Exchange ("**WSE**").

§ 2

1. Series K Shares shall be fully paid-up by way of non-cash contributions of shares of the Acquired Company, with a par value of EUR 0.033194 each. The Acquired Company's shares are marketable securities, designated with the securities identifying number (ISIN) SK1120009230 and traded on the main market of the WSE. The non-cash contributions of shares shall be made following the principles set forth in the Issuance Prospectus and in compliance with the rules pertaining to shares of public companies quoted on the WSE. Due to the fact that Series K Shares will be subject to dematerialization in connection with applying for their admission and introduction to public trading on the regulated market, pursuant to art. 336 § 3 of the PCCC, Series K Shares shall be ordinary bearer shares.
2. It is hereby determined that the exchange ratio representing the number of the Acquired Company's shares required to acquire and pay for one Series K Share (the "**Exchange Ratio**") shall equal 2.1. This means that in order to acquire and pay for one Series K Share, shareholders of the Acquired Company will need to transfer 2.1 shares of the Acquired Company.
3. The Management Board shall measure the value of one share of the Acquired Company pursuant to art. 312¹ § 1 item 1 of the PCCC, at the 6-month weighted average price of shares of the Acquired Company quoted on the main market of the WSE. With regard to the above, in accordance with art. 312¹ § 1 item 1 of the PCCC, the Management Board shall resign from an examination of the value of non-cash

contributions to be made in exchange for Series K Shares. Assuming that such measurement was performed as at the date of preparing the report of the Management Board, attached as Appendix No. 1 to this Resolution, the value of one share of the Acquired Company determined at the above-mentioned average would equal PLN 19.95 (nineteen zlotys and 95/100).

4. It is hereby decided that the number of Series K Shares to be allotted to a shareholder of the Acquired Company, who submits a valid subscription for Series K Shares following the principles described in the Issuance Prospectus, shall correspond to the number of shares of the Acquired Company indicated in a properly made and valid subscription for Series K Shares, as submitted by such shareholder of the Acquired Company, divided by the Exchange Ratio. The number of Series K Shares calculated this way shall be subsequently rounded down to the nearest whole number.
5. It is furthermore decided that each shareholder of the Acquired Company, who submits a valid subscription for Series K Shares and is not allotted a fractional part of Series K Share as a result of rounding down specified in section 3 above, shall receive from the Company an additional payment corresponding to the fractional part by which the number of Series K Shares allotted to such shareholder of the Acquired Company has been reduced as a result of rounding down to the nearest whole number, multiplied by the arithmetic average of closing prices of one share of the Company, as quoted in the continuous trading system on the WSE during thirty consecutive days immediately prior to the date of allotment of Series K Shares. The additional payment, specified in this section 5, shall be made by the Company from its own funds, within the deadline and on conditions determined in the Issuance Prospectus.

§ 3

1. The share capital shall be increased within the limits specified in § 1 section 1 of this Resolution, by the amount corresponding to the number of Series K Shares acquired. The Management Board is hereby authorized to make a statement, in the form of a notary deed, on the amount of share capital acquired and on the revision of the amount of share capital stated in the Articles of Association, before the time the share capital increase is submitted for registration – according to art. 310 § 2 and 4 and in connection with art. 431 § 7 of the PCCC.
2. Series K Shares shall carry dividend rights as from 1 January 2012. If Series K Shares are recorded in shareholders' securities accounts at the latest on the date of compiling the list of shareholders eligible to receive dividend for the financial year 2011 (the dividend day), then Series K Shares shall participate in the dividend distribution as from 1 January 2011.
3. The Management Board shall be authorized to:
 - a) determine the issue price of Series K Shares;
 - b) determine detailed principles for the offering, distribution, and allotment of Series K Shares, in particular the dates of opening and closing the subscription of Series K Shares;
 - c) determine detailed principles for making non-cash contributions for Series K Shares, including the deadline for making such non-cash contributions;
 - d) determine detailed principles for making the additional payments as referred to in § 2 section 5 above, including the payment deadline;
 - e) take a final decision on applying for admission and introduction of Series-K-Shares allotment certificates to public trading on the regulated market of the WSE, and on dematerialization of Series-K-Shares allotment certificates;

- f) apply for admission and introduction of Series K Shares and Series-K-Shares allotment certificates to public trading on the regulated market of the WSE;
- g) initiate dematerialization of Series K Shares and Series-K-Shares allotment certificates, and to conclude an agreement for registration of Series K Shares and Series-K-Share allotment certificates in the Polish National Depository for Securities, and to take any other actions necessary for dematerialization of Series K Shares; and
- h) take any other actions required for the issuance of Series K Shares as well as for their admission and introduction to public trading on the regulated market of the WSE.

§ 4

For the Company's best interest, its existing shareholders shall be entirely deprived of pre-emptive rights to Series K Shares. The Management Board's written opinion explaining the reasons for depriving the existing shareholders of their pre-emptive rights to Series K Shares is attached as Appendix No. 2 to this Resolution.
